

Project Ability's 2018 Annual Christmas Exhibition

24 November – 22 December

Calling ALL artists!

Our annual Christmas exhibition of 2018 celebrates the artist! Our only theme this year is size: all works, whether framed or unframed, must be 30 x 30 cm. All work must hang on the wall.

We want to see your painting, drawing, print making, photography, collage and whatever other mediums represent you and your art practice.

We're giving each artist complete freedom over subject matter, material and medium. There are no other rules to follow, just get out your ruler and measure your paper, canvas or whatever support you want to use.

This show will be uniformed in appearance by the size of each work, and apart from that it aims to celebrate the individual artist, and their individual practice.

The deadline for submitting work is 2 November.

Submit form and images by email.

Artists will be notified by 5 November

All accepted work must be delivered to Project Ability by 13 November

Not all work submitted will be included in the exhibition

Project Ability has a commission on all sales of 40%

If you have questions please email exhibitions@project-ability.co.uk

Up to 3 submissions per artist

Please email your Submission Form along with photos of the work to, exhibitions@project-ability.co.uk
